WANTED EDITOR

Milestones & Waymarkers is the Society's journal which appears on an occasional, typically annual, basis. John V Nicholls has been editing *Milestones & Waymarkers* since issue 4 in 2011 (initially jointly with Carol Haines and David Viner) but he is now unable to continue. The Society is therefore looking for someone to take his place so that the publication can survive. Although some technical skill with preparing documents would be a definite advantage, the real need is for the Editor to work with the Editorial Panel to gather articles from the members and from outside the Society and to assemble and edit those articles which are worthy of publication. If you are willing to help, please contact a member of the Editorial Panel: Carol Haines (ch_miles@yahoo.com), Mike Hallett (mwh@milestonesociety.co.uk), John V Nicholls (jv@milestonesociety.co.uk), Richard Raynsford (newsletter@milestonesociety.co.uk) or David Viner (dv@milestonesociety.co.uk).
